ABOUT ADDICTION

"Addiction," where passion meets performance, and enthusiasm takes center stage! Addiction is not just a college fest; it's an annual extravaganza that transcends boundaries, bringing together talent, creativity, and sheer energy for an unforgettable experience.

For three exhilarating days, Addiction transforms our campus into a vibrant hub of excitement, showcasing over 100 performances that span a multitude of genres. From electrifying music acts to captivating dance performances, thought-provoking theatrical productions to awe-inspiring art installations, Addiction is a celebration of diversity and talent.

Addiction has become synonymous with a dynamic atmosphere, pulsating with the beats of music, the rhythm of dance, and the applause of an engaged audience. With a daily footfall of over 3000 enthusiastic participants, Addiction has evolved into a melting pot of cultures, ideas, and expressions.

What sets Addiction apart is its commitment to providing a platform for emerging artists alongside established performers. We believe in fostering creativity, encouraging experimentation, and supporting the dreams of those who dare to be different. The fest is not just an event; it's a journey that sparks inspiration and leaves a lasting impact on everyone involved.
